

INDEPENDENCE DAY – AUGUST 15 2014

As India celebrates her 68th Independence day, SIET is proud to join the nation in upholding the spirit of freedom. Independence day was celebrated at our college campus on 15th August 2014 . Our volunteers (Total no of NSS volunteers – 49) actively participated in the celebration. The students as a mark of respect for the sacrifices made by our people in the past took an oath to establish a Plastic free campus. The National flag was hoisted by our beloved Principal **Dr.T.Ravi** followed by the salutation.
